Rounds 1-4: Knit

Round 5: (k1, yo, k4, sl-k2tog-*psso*, k4, yo) to last st, k1

Round 6: knit

Work rounds 5 and 6 until you reach your desired length, ending with a knit round. Bind off with size 5's if you normally have a tight bind off, if not use one size smaller. This will keep the top from stretching out too much. Weave in ends.

Neckwarmer shown measures 8 inches long and 9 inches wide, leaving a tail app 20 inches long. Very little tail was left from the cast on. It fits over my head snugly but I have a big head =)
